

American Lincoln Part

American Lincoln Part - The American Lincoln division is currently associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment which are known within the industry as durable and strong machines that satisfies all the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company that is now also owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can supply parts, warranty service and equipment for these kinds of scrubbers that carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of many facility supervisors where efficiency and results make a difference. Recently, this particular floor scrubber model has been utilized by the architects in new construction jobs like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site due to the model's high standard of quality and supreme performance level for polishing concrete.
